Hospitals on Standby	Netcare St Anne's Hospital

Thank you for the notification of your event; please be advised that we will place the hospitals as denoted above , on standby and will accept patients from the event on the following conditions.

1. The patient is taken to the most appropriate facility to manage the illness or injury.
2. If the hospital is on divert that the patient be taken to the next most appropriate facility.
3. Patients are made aware they are being transferred to a Private Health Care company where they may incur costs for services.
4. Medically insured patients depending on the nature of the injury or illness may incur either a co-payment (as per their schemes rules) or be responsible for the entire cost.
5. Patients may be held responsible for the costs, until transfer to a suitable facility can be affected.
6. You inform the hospital of the proposed admission.
7. Identification of the patient is required at admission and insurance documentation is to be provided at admission
8. You may contact an emergency and trauma coordinator on the following number should you experience any problems and need some assistance. 0762937195

Directors: J du Plessis, R H Friedland, K N Gibson, C Grindell

Company Secretary: L Bagwandeem

Reg. No. 1996/006591/07

Please do not hesitate to contact me should you require any further clarification

Thank you

Kind Regards
Mariesa Human
