Application for risk categorization has bearing. This event is categorized as **LOW** risk.

LOW RISK EVENTS

In terms of Section 4 (9) of the Safety at Sports and Recreational Events Act 2/2010, the Event Organizer must, for an event categorized as **LOW** risk, ensure that the following is complied with:

A Safety Officer is appointed.

A COVID-19 Compliance Officer is appointed to oversee Disaster Management Regulation Health Protocols

A written safety plan is prepared and implemented detailing:

- Compliance to Disaster Management Regulation on Health Protocols.
- Compliance to Disaster Management Regulation on Curfew.
- safety measures
- security measures
- crowd management measures
- parking and traffic management plan
- emergency medical plan as contemplated in the National Health Act

The local police station is informed prior to the event of the event details.

A copy of the safety plan is submitted to the local police station.

Applicable by-laws as well as any other relevant Regulations and Legislations are complied with.

Please take note that this categorization does not serve as an authority to host your event.

This office trusts that you find this categorization in order.
