While the promoters and organisers of this event and every event sanctioned by Motorsport South Africa have taken every precaution for the safety of competitors and spectators it is impossible to guarantee their safety in view of high speed attained by those competitors.

Admission and entry is therefore granted upon the clear understanding that spectators and competitors attending the event appreciate the risks involved and waives for themselves and their successors, assigns or dependants any claim which they might save for this waiver have against the promoters, organisers, beneficiaries, owner or lessor of the property of The Rover Motorcycle Club, its officials and committees, or Motorsport South Africa or its commissions in respect of any injury or damage, however arising, whilst they may suffer whilst attending the event.
