Your names will be on the list from the ONLINE forms that you would have been completed. IF you have not completed the online Covid screening form you will need to login to the link and complete it before your enter.

### **GENERAL:**

- Entries close at 10H00 SHARP on Friday 18 September 2020 - the Start List will be posted onto Race Control and the Whatsapp group after 18H00.

### **RACE CONTROL:**

- Proceed from screening to documentation where the race secretary will check your entries, payment and MSA LICENSE - NO LICENSE NO RACE
- Riders that do not have race tags can purchase tags at Race Control.

**RIDERS TO PLEASE ENSURE THAT THEY HAVE REMOVE ANY OLD TAGS (ie; Roof Tags) we had major issues at the last event with a lot of riders who had 2 tags with different numbers. Riders please check your bikes as well for old tags. This causes major problems for the timekeepers and disrupts the live race results.**

- There will be clock cards used in this race so please remember to bring your clock card holders. It is the riders responsibility to ensure that all stamps are on the clock card – take a second and make sure that you have stamped correctly. The following penalties apply regarding stampers:
  - 60 min for 1 missing checkpoint
  - Exclusion for 2<sup>nd</sup> missing checkpoint
  - 1 Lap penalty for lost card
 (see 2020 MSA NATIONAL ENDURO STANDING REGS D (39) – *List of penalties*).
- GPS Tracks can be downloaded from the WFO Website. **NO GPS DOWNLOADS WILL BE AVAILABLE ON THE DAY OF EVENT**

- Riders not doing the sighting lap must have their bikes in *Parc Ferme* between 09h00 and 10h00 for scruteneering and race tag checks.
- Riders need to ensure that they have their GPS mounted on their handle bars and medical kits in order and on them (see 2020 MSA NATIONAL ENDURO STANDING REGS D (9) g). (Crew may not accompany their rider to scruteneering).

### **RACE INFORMATION:**

- There will be a decontrol of 10 minutes after the first rider has completed his 2nd lap.
