Fire

The Fire Chief has been consulted.

A reactive Fire plan is in place with the Local Landowners and with the Local Farm watch and they will be on standby to be called upon if required.

Facilities Provided

Toilets and ablution facilities are available.

Participants are expected to take their own refuse away with them.

No fires are permitted in the pits.

Security Measures

Each Pit Crew is responsible for their own goods and equipment in the pit.

Entrance and exit is at the same point to the venue. (Emergency Exits will be made available).

Security Company: Berg Protection (033 – 701 2235)

Security is also provided by the pit crews who remain in the pits.

The pits are not left unattended during the race.

All officials on the day at the event assist with security at the event – applicable to all Motorsport events

Crowd Management

No crowds are envisioned.

No Spectators will be permitted at the event.

Public areas are demarcated.

Stewards of the race would assist in redirecting persons behaving in a disorderly and unacceptable manner.

Motor Vehicle Parking

Parking outside of the pits is available

Emergency and Participant Medical Services

Medical Services are provided by MIDLANDS EMS

An Ambulance and paramedics are on Site for medical services.

The following Hospitals has been advised:

NETCARE ST ANNES - (033) 897 5055

LIFE HOSPITAL HILTON - (033) 329 5605
